

Planning corpus: topic map (UMAP + KMeans)

Cluster: top terms
0: charging, electric, planning
1: energy, power, electric
2: charging, energy, ev
3: energy, power, electric
4: charging, electric, ev
5: distribution, power, network
6: power, energy, electric
7: charging, energy, model
8: charging, power, optimization
9: charging, ev, electric
10: energy, power, grid
11: power, dc, proposed

Positions come from UMAP on title+abstract embeddings; axes have no direct meaning. Colors/legend map clusters to top terms.
